

Plant trees for climate justice and Climate Education Week

To support the COP21 Climate Conference in Paris, Plant for the Planet is organizing activities to educate our friends and protect our environment.

Hazel Wolf K-8 Plant for the Planet invites you to take part in the climate crisis solution.

Join us!

Friends of North Creek Forest Work Party
Bothell, WA

Saturday, December 5, 2015
10am to 2pm

- Planting and mulching
- Lunch provided
- Kids' activities and a short hike

Climate Education Week Goals

1. Build a global network of the young generation to address the climate crisis together.
2. Call attention to the need for climate solutions now:
 - 100% clean energy
 - Keeping fossil fuels in the ground
 - Helping climate change victims
